

Victoria Parés

Product Designer | UX/UI Designer

mavictoriapares@gmail.com | LinkedIn | Valencia, Spain

Graphic Designer specialized in UX/UI and Digital Product Design. I'm interested in creating minimal, functional, and accessible digital experiences, combining aesthetics, usability, and user needs. I'm also interested in corporate identity, editorial design, and visual communication.

Professional Experience

Duacode

UX/UI Designer and Graphic Designer

June 2025 — September 2025

Extracurricular Internship | Hybrid | Valencia, Spain

- Analyzed and optimized the internal Design System, improving the consistency and scalability of digital interfaces.
- Developed visual identities and brand systems for a diverse range of clients.
- Collaborated with the UX/UI team on the design of websites and landing pages.
- Supported design-to-development handoffs, facilitating communication between teams.
